

# WICKED WITCHES

ANTHOLOGY BY THE NEW ENGLAND HORROR WRITERS

Edited by: Scott T. Goudsward, David Price, Daniel G. Keohane

New England has a rich, dark history with the supernatural. From this region many writers of dark fiction have fueled their stories. One chapter in history has been the stuff of legends and nightmares: the Witch. Look to ancient mythology or your next door neighbor and you will find them, practicing arts both Dark and Light. The New England Horror Writers proudly present a new anthology which pays tribute to those whose ancestors were accused, hung, pressed, drowned, or burned at the stake. Enter these pages, wander the hard roads of Colonial America or modern corporate boardrooms, to face the Witch. Wicked Witches, fiction from New England's most talented writers:

Jeremy Flagg is the author of the CHILDREN OF NOSTRADAMUS dystopian science fiction series and SUBURBAN ZOMBIE HIGH young adult humor/horror series. Taking his love of pop culture and comic books, he focuses on fast paced, action packed novels with complex characters and contemporary themes.

Jeremy is the Co-creator of Massachusetts Science Fiction & Fantasy Authors and member of the Metrowest Writers writing group. He is also an active member of the New England Horror's Association, the Horror Writer's of Maine and Broad Universe.

Jeremy spends most of his free time at his desk writing snarky books. When he gets a moment away from writing, he watches too much Netflix and Hulu and reading comic books. Jeremy, a Maine native, resides in Clinton, Massachusetts and can be found in local coffee shops pounding away at the keyboard.
