## CHILDREN OF NOSTRADAMUS , BOOK 1

By: Jeremy Flagg

**When the world is predicted to end, the Children of Nostradamus Emerge.**

New England is a walled off radioactive prison. People exhibiting extraordinary abilities are hunted for experiments. The only talent twenty-six-year-old Conthan has in life is his art and knack for sarcasm. When a cop threatens his life, Conthan discovers he has the ability to teleport.

Hunted by the military and a woman with her own gifts, Conthan finds exiles in the Boston wastelands with powers of their own. For the first time, he sees potential to become a hero. But as he unravels a conspiracy threatening the world, he must decide between his survival and his humanity.

Jeremy Flagg is the author of the CHILDREN OF NOSTRADAMUS dystopian science fiction series and SUBURBAN ZOMBIE HIGH young adult humor/horror series. Taking his love of pop culture and comic books, he focuses on fast paced, action packed novels with complex characters and contemporary themes.

Jeremy is the Co-creator of Massachusetts Science Fiction & Fantasy Authors and member of the MetroWest Writers writing group. He is also an active member of the New England Horror's Association, the Horror Writer's of Maine and Broad Universe.

Jeremy spends most of his free time at his desk writing snarky books. When he gets a moment away from writing, he watches too much Netflix and Hulu and reading comic books. Jeremy, a Maine native, resides in Clinton, Massachusetts and can be found in local coffee shops pounding away at the keyboard.
