Dark times, darker heroes.

The Warden is dead. Coming to terms with the blood on his hands, Conthan finds himself alone. But before he succumbs to crippling self-doubt, he declares war on the synthetic army.

Attempting to seize power from the president, a secret society instigates a civil war on American soil. Innocent blood is shed. After a sanctuary for people with abilities is targeted and decimated, the Nighthawks are left seeking vengeance. But when the diary of a psychic is discovered Conthan realizes their actions could destroy the country they are fighting to save.
