SUBURBAN ZOMBIE HIGH

By: Jeremy Flagg

Boxford High pranksters cause a chemistry lab to go wrong and students are forced to face something far worse than S.A.T.'s and cafeteria lunches - an infection that turns students into zombies scouring the halls for survivors.

A group of unlikely companions; an artistic goth, star-athlete jock, disgruntled loner, would-be marine, sassy cheerleader, and angry Asian, set aside their homework to fend off the zombie apocalypse. As they fight through locker rooms and dance their way across the theater, they find surviving zombies may be more difficult than puberty.

Now they must set aside homework and bake sale fundraisers to fend off the zombie apocalypse before the infection reaches beyond the walls of their suburban high school.

Jeremy Flagg is the author of the CHILDREN OF NOSTRADAMUS dystopian science fiction series and SUBURBAN ZOMBIE HIGH young adult humor/horror series. Taking his love of pop culture and comic books, he focuses on fast paced, action packed novels with complex characters and contemporary themes.

Jeremy is the Co-creator of Massachusetts Science Fiction & Fantasy Authors and member of the Metrowest Writers writing group. He is also an active member of the New England Horror's Association and Broad Universe.

Jeremy spends most of his free time at his desk writing snarky books. When he gets a moment away from writing, he watches too much Netflix and Hulu and reading comic books. Jeremy, a Maine native, resides in Clinton, Massachusetts and can be found in local coffee shops pounding away at the keyboard.
