SUBURBAN ZOMBIE HIGH

FINAL CLASS

By: Jeremy Flagg

They have returned.

An anonymous hacker declares Boxford High ground zero for the next outbreak. When the school holds a corporate-sponsored fundraiser, the infection begins. Again.

Infiltrating the new state-of-the-art school as teachers, the survivors find the world of education is just as dangerous as flesh eating zombies. As they uncover clues to the origin of the outbreak, they fear zombies aren't the worst of what stalks the halls.

Now the original class must ally themselves a new generation of zombie-savvy students. In this final showdown, can they survive a school filled with undead while preventing an evil corporation from unleashing the zombie apocalypse on the world?

Jeremy Flagg is the author of the CHILDREN OF NOSTRADAMUS dystopian science fiction series and SUBURBAN ZOMBIE HIGH young adult humor/horror series. Taking his love of pop culture and comic books, he focuses on fast paced, action packed novels with complex characters and contemporary themes.

Jeremy is the Co-creator of Massachusetts Science Fiction & Fantasy Authors and member of the Metrowest Writers writing group. He is also an active member of the New England Horror's Association and Broad Universe.

Jeremy spends most of his free time at his desk writing snarky books. When he gets a moment away from writing, he watches too much Netflix and Hulu and reading comic books. Jeremy, a Maine native, resides in Clinton, Massachusetts and can be found in local coffee shops pounding away at the keyboard.
